## ACCOMMODATION SERVICES CQC REGISTERED

We at Gemini Property Holdings are now providing accommodation in prime locations across London and the South East. We offer a range of 1, 2, 3 and 4 bedroom homes that support the service user and their range of needs.

With local amenities, employment opportunities and leisure centers in close proximity, our carefully selected properties are perfect for allowing service users to find their independence.

The safety of our homes is key for our service users. Our in-house maintenance team are dedicated to up-keeping secure homes that, in turn, enable individuals to develop their skills in all areas of life.
